

PROVA DI INGLESE 1

IL CANDIDATO LEGGA IL SEGUENTE BRANO IN INGLESE E LO TRADUCA IN ITALIANO:

Lewis Carroll was born on 27 January 1832 in the village of Daresbury, central England.

In 1843 his family moved to the Yorkshire. Carroll lived in a big house with many servants. He had three brothers and seven sisters. He enjoyed entertaining his family, organising games and writing stories for his siblings.

His family grew a lot of their food on the land around their house and they didn't have much contact with the outside world.

PROVA DI INGLESE 2

IL CANDIDATO LEGGA IL SEGUENTE BRANO IN INGLESE E LO TRADUCA IN ITALIANO:

In 1851 Lewis Carroll began studying mathematics. When he finished his studies in 1854, he began teaching at Oxford. He wasn't a very popular teacher because he wasn't interested in his students. But Carroll wasn't just a boring Oxford professor.

In 1856 he became interested in photography and he became famous for his pictures of famous people of the time.

PROVA DI INGLESE 3

IL CANDIDATO LEGGA IL SEGUENTE BRANO IN INGLESE E LO TRADUCA IN ITALIANO:

Lewis Carroll was also a writer. His two most famous books are "Alice's adventures in Wonderland" and "Through the looking-glass and what Alice found there". For these fantastic stories he took inspiration from a real little girl called Alice Liddell. He met this girl in 1856 when he went to her house to take some pictures of her family. After this, he became a great friend of Alice and her family. He often invented stories for her and her two sisters.

3. Il candidato apra un file word, scriva all'interno le proprie generalità (nome, cognome, luogo e data di nascita, indirizzo di residenza) in corsivo. Inserisca una nota a piè di pagina in corrispondenza della città di residenza indicando la provincia. Stampi il documento.

PROVA DI INGLESE 4

IL CANDIDATO LEGGA IL SEGUENTE BRANO IN INGLESE E LO TRADUCA IN ITALIANO:

"Alice's Adventures in Wonderland" was immediately popular. It was very different from the other children's books of the time because it showed the world from a child's point of view.

From the book's sale, Carroll earned enough money to buy a house for his unmarried sisters.

He stopped teaching mathematics and he died on 14 January 1898 at his sisters house.
